

EXPLODED DRAWING OF CUTTING MACHINE 09300083/ 09300084

Part Number

Part No	Description			
1	Handle			
2	Chuck plug			
3	PC cover			
4	Water-proof gasket			
5	container			
6	Up tool apron			
7	Rotate knives			
8	Down tool apron			
10	Rubber gasket			
11	Locating sleeve			
9	Blade shaft			
12	Spacer bush			
13	Bearing			
14	Blade shaft			
23-1	Internal circlips Ø42			
23-2	Bearing circlips			
11-1	Sealing ring			
15	Base seat component			
16	Base board			
17	Speed adjustor			
18	Switch box			
18-1	gasket for electric box			
19	Feet			
20	Power cable			
20-1	Knob for adjustor of speed			
20-2	Adjustable buckle			
21	Belt			
22	Big belt pulley			
24	Main board			
25	Motor			
26	Welding			
27	Limited block			
28	Front switch holder			
29	Sure model switch			
30	Big nut			
31	Cam			
32	Big gasket			
33	Up switch holder			
34	Nylon gasket			
35	Handle seat			
36	Compression bar			
37	Dowel			
38	Motor holder			
39	Circuit board			
40	Installation board			
41	Tension wheel shaft			
42	Tension spring			
43	Small shaft			
44	Tension wheel arm			
45	Wheel shaft 2			
46	Bearing 6200			
47	Bearing 6800			
48	Contractor (this part only for 110V models, 230V models without this design)			

Note: the parts in red color just for new motor, not suitable for old motor, other parts are same for new motor and old motor.
